

# **LAST CALL! Communities and the new Global Fund Strategy: your voices are needed**

Join us for a final Communities consultation on the new Global Fund Strategy. The new Global Fund Strategy for 2023-2028 will be voted on at the 46th Global Fund Board Meeting from 8 to 10 November 2021. Join the Global Fund Communities Delegation and the Love Alliance to give your views on the final draft of the Global Fund Strategy Narrative.

This consultation will be a final opportunity to share your views on the role of HIV, TB and malaria communities, the need for a community funding-stream and community-led service delivery, the decriminalisation of key populations and other matters important for you in the Strategy.
